13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
Organization of the Annual Cultural Competitions at the College level.	Various cultural, intellectual and creative competitions like Debate, Singing Competition on Patriotic Songs, Poster-Making, Fancy Dress, Rangoli Competition, etc. were held at college by the Cultural Department and Students Welfare. We are able to inculcate the ability of reasoning among our students. The winners were felicitated on the last day of Annual Day Function and Cultural Festival, 2019.
Organization of the Annual Sport Festival at the college level.	Various sport competitions were held for boys as well as girls. The winners were felicitated in the prize distribution ceremony on the last day of Annual Day Function and Cultural Festival, 2019. These created a lot of enthusiasm and energy among students. Because of such efforts, we able to sow sport culture in our college, resulting in the larger participation and representation of our institute at university and intercollegiate level competitions.
Celebration of International Yoga Day for raising consciousness among staff and students simultaneously	Students as well staff including non-teaching actively participated in the event and performed yoga. Students were told about the importance of Yoga as a way to boost immunity and mental strength that lead to healthy body and the resultantly healthy mind.

Motivate our teachers to get their research articles published in the UGC listed journals.	A number of teachers get their articles published in the UGC listed journals				
Celebration of Woman's Day by the Women Cell.	Consciousness was raised on the issues of women and her right as equal citizen. The Women's Study Cell planned and successfully executed various programmes and initiatives for the gender sensitization. Project work was allocated to the students, the submission of which has been made mandatory. The college has been maintaining a complain box for the girls students to prevent sexual harassment. b) Girls students were motivated more to join the NCC and thus NCC has enough numbers of girl cadets, thereby setting the example of real way of women empowerment				
Provide guidance to our students under NCC to qualify the NCC B and C certificate examinations for their direct entry into arm forces.	Good number of students passed the NCC B and C certificate examination.				
Prepare our students for participation in the university level cultural competitions.	Our students successfully represented us and won prizes in the cultural competitions at the university, taluka and district level.

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The IQAC maintains strict adherence to the academic calendar which is prepared well in advance every year. Our academic calendar clearly mentions the topics and number of working days allocated to successfully complete the syllabus given. 2. The institute follows strict method and way laid down by the university for internal assessment: Seminars, viva, test, project submission, practical and attendance of students are the criteria laid down by the university differently for different subjects. The teachers have to follow them in the internal analysis of students. 3) The institution through IQAC is highly vigilant for the successful implementation of curriculum of Gondwana University through departmental meetings strict adherence to time table and teaching plan, teachers daily diary are compulsory and moreover, each faculty member has a course file comprising of time-table, syllabi, teaching plan, assignments, internal exams and extra classes details. 4) Heads of the department conduct meetings to know the status regarding successful curriculum delivery and the same is reported in the IQAC meeting. The result is reviewed by the principal. 5) Though not having freedom to introduce or develop its own curriculum, our institution develops action plans for better implementation of university curriculum and course objectives. The principal of the institution under IQAC conducts meetings of various departments to adopt and implement strategies for effective implementation of curriculum. 6) Teachers are required to finish the syllabus within fixed deadlines and teacher's daily diary is, therefore, made mandatory for all. 7) The smooth functioning of the institution is facilitated by delegation of assignments to various committees constituted by the staff

council. 8) Student's feedback is also sought on the curriculum delivery and transaction. If a faculty fails to finish curriculum within the limit, extra classes are undertaken. 9) We support our teachers for effectively delivering the curriculum and improving teaching practices by ample freedom for innovative techniques in teachings, access to the excellent library to enhance the area of knowledge and learning. 10) The teacher researchers are regularly monitored, encouraged and applauded by the college management time to time. 11) Being affiliated to Gondwana University teachers of the departments are regular beneficiaries of refresher courses, seminars and workshops. 12) Teachers of the department to conduct research on local problems so that the benefits can be extended to the local population, establishing a much - desired bond between theory and practice. 13) The Supervision by the committee appointed by the CDC regularly is another aspect of it. 14) Located in rural area, the institute cannot generate interaction with beneficiaries such as industry research bodies. However, the institution encourages its faculty members to attend seminars, conferences and workshops for getting latest updates in their subjects and introduce it in regular teaching and learning process. 15) Critical attitude among faculty and students are promoted through a number of assignments and activities. 16) The issues of Gender, Climate Change, Environmental Education, Human Rights, etc., are well inculcated into the curriculum. 17) Holistic development of students is the focus of the institute.

Students	Yes
Teachers	No
Employers	No
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>Feedback analysis is seen as the best measure to produce the academic ambience, student-friendly, transparent and healthy atmosphere in the institute. Since the students are the primary stakeholders, their perceptions are valued more. Moreover, the institute collects and analyses and takes action on feedback from parents and alumni to improve the overall teaching-learning process and facilities. 1. The institution establishes various means to interact with various stakeholders. 2. Student's feedback has been made compulsory to judge and analyse the performance of teachers of the faculties. 3. Through questionnaire method the students express their opinion on various issues related to curriculum, infrastructure, facilities and academic improvements, etc. 4. Special meetings for parents and alumni are conducted to access their perception about the institution and suggest the scope for improvement. 5. The CDC analyses feedback and takes remedial measures. Feedback obtained from the alumni of the institute is another method of self-analysis of the institute. In the meeting of the Alumni members, oral feedback is sought about their present perception of the institute and the past view about the institute. Members are made aware of the various quality initiatives by the institution, changes in functioning if any, changes in infrastructure and other facilities provided by the institute, performance of students in various examinations, their felicitation by the institute and about future plan in any. Their free suggestions on such are invited and followed by the discussion to implement them effectively. The institute always values the suggestions and recommendations of its all the notable alumni working in diverse areas in a successful way. Their views and opinions are keenly adopted and implemented by the IQAC. Parents of our wards are seen as integral to the process of self-</p>

analysis. The institute conducts a direct interaction between parents and teachers through the yearly PTA meeting under the IQAC. These meetings help us to understand the expectation of parents of our students and in addition, they also help us to create active communication, understanding and cooperation between parents and the institute. Attendance of all the teachers in such meeting is mandatory. Similarly like the Alumni meeting, parents are informed about the various quality initiatives by the institution, changes in functioning if any, changes in infrastructure and other facilities provided by the institute, performance of students in various examinations, their felicitation by the institute and about future plan the institute has in mind. Parents are freely asked to express or convey their suggestions and recommendations on such initiatives. If there are any grievances, they are also well addressed by the head of IQAC and Principal of the institute. Parents are informed about the mechanism already available in the institute for the redressal of such grievances. Situated in remote rural area, we could not be able to interact with industry. However, our teachers are the regular beneficiaries of refreshers, orientations, seminars and short term courses. We focus to inculcate their ideas through discussion.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Our students come from the poor backward region and could not afford higher education. Our management, however, considers the higher education should be given to all. To reach this vision and mission, the institute has started non-grant Post Graduate degree courses in Marathi, Sociology, Economics and Commerce in addition to the existing under graduate courses in Arts and Commerce in the backward area. The poor students who could not afford to pursue graduation and post-graduation in metropolitan cities like Nagpur are able pursue higher education. The qualified teachers on permanent basis at UG along with teachers on ad hoc basis or remuneration basis are suitably appointed to teach at post graduate level. Hostel facilities are provided to boys students in the institution campus itself. Many students in the institution come in the institution from near about 10 to 20 kms by State Transport bus. Hence the institution requests every year to provide bus facility in the institution timings to the Bus Transport Authority. Some poor and needy students coming in the institution from the remote distance where the bus service is not available are provided bicycles under the government schemes. Parents of the many wards either are illiterate or were commonly negative about the education of their wards, principally if they are girls: they are married off so early before they could complete their graduation. Through non-stop communication, the people are made conscious about the obligation of higher and post higher education, particularly for girls. As a result of this, our institute has the highest number of girl students more than boys. We have evolved a multi-layered mechanism to address issues of students at different levels through : i) Students Grievances Cell ii) Anti-Ragging Committee iii) Students Discipline Committee iv) Women's Cell v) Student Council vi) Career Guidance Bureau Teacher also identifies slow learner during the course of teaching and such students are advised to attend the Remedial Classes of respective subjects. Career counselling programmes and personal motivation are offered to such students. To deal with special educational /learning needs of advanced learners, we do the following: 1) To promote advanced learners in different social and cultural initiatives, presenting him as role model for others. 2) An advanced learners, of both UG PG classes are benefitted with motivational talks and trainings by resource persons from outside and inside the institution. 3) Attempts are always made in the direction of cultivating leadership qualities in such learners. 4) Coaching for competitive examination is also provided to advanced learners. 5) Faculties also encourage the advanced learners to represent the college in debates, quiz competition organized in other colleges. a) Free ships, scholarship available for SC/ST/OBC/Minority/ Differently abled students. b) Training for competitive exams. c) The institution also invites professionals from the government sector which provides regional and governmental employment opportunities for the students. d) College maintains regular attendance and absent students is intimated. e) Special care is taken of the specially-abled students by the staff. f) Services of part-time doctors.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The university has introduced the diverse subject specific internal evaluation system for each class and for each semester. We have moulded our system of internal examination as per the university system and the system that we have thus varies as per subject and class. Practical and project work are compulsory for Military Science, Home Economics and Information and Technology in Commerce together with the mandatory laboratory work. The other subjects have also to follow the university determined criteria of home assignment, seminar, viva, regular attendance, behaviour of students/discipline of students and test paper. Strict adherence to these and maintaining record of the internal assessment are both compulsory for the teachers. For the transparent internal assessment, we observe: a) Strict and mandatory adoption of the university decided criteria b) At the beginning of the semester, Students are apprised of the various conditions of internal assessment specific to their class or semester. c) Subject teachers along with the head of the concerned faculty rigidly monitor and evaluate the performance of students and the principal is informed accordingly. d) Submission of assignment and other methods of internal assessment are strictly time-bound. e) The marks obtained by the students in internal assessment components are displayed on the notice board. f) The end examination for the laboratory and projects shall be conducted with internal and external examiner appointed from the other colleges as decided by the University. g) In case of any grievances, students can approach to the Student Grievances Cell. Grievances are addressed immediately.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

IQAC Cell is the soul of the institution and a bond between the college management and college staff teaching and non - teaching. 1) Academic Calendar : At the beginning of the academic session the Principal under the IQAC convenes a faculty meeting to chalk out a blue print of teaching in harmony with the academic calendar of Gondwana University 2) The college proceeds through academic planning (time - table) extracurricular and examination committees for planning of the teaching learning and evaluation schedules. 3) At the suggestions of IQAC these committees design the academic plans and curricular and extra - curricular activities such as academic calendar, classroom allotment, time - table, activities of all extracurricular committees, educational tours and camps etc. 4) The examination committee also prepares time - table for internal examinations. 5) Schedule of cultural activities and competitions is also fixed and rarely changed. 6) Holiday schedule is declared by the university and the state Government. 1) Teaching Plan: Each faculty member prepares teaching plan as per guidelines of the Principal and IQAC. 2) Department of time - table allot works to each teacher and it clearly defines the role of each faculty. 3) The teacher's diary maintained by each faculty gives details of the class work done by the teachers and the diary is periodically checked by the Principal. 4) Students feedback at the end of every semester is also being considered at during the preparation of teaching plan. 5) Regular monitoring of teaching activity to each faculty by

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The foundation stone of our college was laid down by Gandhi Seva Shikshan Samiti in 1972 on the land donated by Shri Kalyanji Naik. Infrastructure problem always troubles the college and a number of new programmes or any extra section could not be added to the existing ones despite demands by the local people. The reason for this is none other than the inadequate facilities we have. Despite these hindrances, the college management has introduced Post Graduate degree courses in Marathi, Sociology and Economics as well as in Commerce for two reasons: • The financial plight of local students who could not afford post-graduation in bigger metropolitan cities like Nagpur. • It was a suggestion made in the first cycle to introduce post graduate degree courses. • Even though the unavailability of limited resources and financial difficulties faced by our management, the body has been continuously striving to enhance and extend available infrastructure facilities. Our college building is under construction. • In the current situation our college campus is spread over 6.62 acres of land the total built up area of the college is 2560.13 sq. Mtr. • Lecture halls and laboratory for UG and PG classes are available We follow the following for the Procedures and policies for maintaining and utilizing physical, academic and support facilities : • Suggestions and feedback from the staff and students are collected and forwarded to the IQAC. Accumulated suggestions and feedback are, then, forwarded by the Principal to the Management Committee. • The management discusses the requirements with the Principal and makes decisions • Feedback is also acquired from stakeholders. • Every year budget is prepared for providing requirements and extension of buildings due to expansion of curricular and extra curial activities and change in the university curriculum. Annual maintenance and restoration of the infrastructure is taken care of by the institution in a systematic manner. Regular maintenance is carried out by the staff appointed for cleaning and maintenance of the building. The laboratory equipment is maintained by the institution. The computers and electronic devices are maintained through the funds available in the institution. We have work arrangements with local service providers to service, calibrate and repair the lab equipments time to time. If the instrument becomes unserviceable within its service warranty period, it is returned to the suppliers for calibration service or replacement. Most of the calibration is done by company representative. The institution specified places for the sensitive equipment like water purifiers, and other instruments. The staff keeps a strict vigil regarding the maintenance and upkeep of the instruments. Their repair, replacement or other required upkeep is fully undertaken in their supervision. Similarly, the institution avails the services of electrician, plumber and the other supporting staff if necessary for the upkeep of electrical equipment and their maintenance. For the supply of water, the institution has its borewell. The institution has enough number of overhead tanks and distribution network throughout the campus. To tackle the problem of sudden voltage fluctuation, the institution

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of

the institution (maximum 500 words)

Due to certain issues Gondwana University, Gadchiroli has banned the election of student Council. However, we would like to offer you the following mechanism whereby students used to be promoted on academic bodies as follow : The institution has a Students' Council elected democratically in the parliamentary mode consisting of Chairman (Principal), Convener, Sport Director, NSS Coordinator, Secretary of Students' Council, Class representatives, Ladies representatives, NSS representative, Sport representative and Cultural representative. Notification for Students' Council Election is announced by the University. A Returning Officer is appointed by the Principal as per the recommendations of the Students' Council, and elections are conducted as per the guidelines of University. The major activities of the Students' Council include organizing various cultural events to enrich the student talents as follows: • Organization of Annual Students' Gathering • Publication of Institution Magazine • Selecting and supporting students for university festivals / intercollegiate events • Facilitating the various programmes undertaken by the institution Though we could not be able to conduct election, we continue to accommodate students on academic and administrative bodies of the institute: The following academic and administrative bodies have student representatives on them : ? Editorial Board The Editorial Board comprises of Chief Editors, Editor and Students member. The Board invites writing from students and teachers and publishes them in the form of magazine annually. ? Cultural Committee This Committee is constituted to promote the cultural activities among the students. Culturally talented students are spotted by Committee members and the efforts are made to develop their skills and talents by encouragement, right training and performances. The committee consists of 5 members, and all members of the Student Council. ? Library Advisory Committee This committee consists of 8 members, 4 are from the teaching faculty. The Librarian and two students are a part of it. This Committee is constituted under the headship of the Principal who is chairperson of the library and the Librarian is in charge of the committee. The Committee is responsible for the maintenance of library books and journals, easy access of the students to the library facilities, facilities in the library such as reading rooms, drinking water, uninterrupted power supply, opening and closing times of library, availability of daily newspapers and the maintenance of library records. Suggestions are invited from the students and other readers for making the library atmosphere congenial. Apart from the above-mentioned bodies, all the faculties provide representation to students on study panel at the college level including the newly founded College Development Committee.

progress and development of the institute and career related guidance programmes and events organized by the college. Our Alumni body has the following aims and objectives : 1. Sowing in the vision and mission of the institute. 2. To make alumni an integral part of the institute and its initiatives. 3. To strengthen the ties between alumni and the institute. 4. To acquaint alumni's of the new events by the institution and request them to be part of it. 5. To seek the assistance of alumni in offering career related guidance to students.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

A decentralized functioning mechanism empowers the administrative and academic departments, other subunits and individual faculty with a great level of flexibility in academic administration, and helps the faculty in making decisions. The policies are well defined by the institution authorities including the Managing Committee and the Principal. The Managing Committee of the institution meets at regular intervals. The Management gives suggestions on various aspects on the basis of Principals report and feedback it gets from the society. The suggestions of the Management are communicated to the teaching and non-teaching employees through the Principal. The Principal assigns specific duties to various academic and administrative bodies. Students are also an integral part of decentralization as they keep record of teaching are the main parameters for improvement and reformation in existing facilities and teaching learning process it also helps us for self - analysis. Committees comprising teachers from different departments coordinate and conduct various activities and the institution. 1. Our institution is democratic in structure for all the members - teaching, non - teaching and students participate through their ideas and viewpoints. Decisions taken always influence by all these. We had a Local Managing Committee headed by the President, Vice-President and Secretary and staff as members. It is renamed as College Development Committee with the representation of students on it. The Committee plays an important role in the execution of top Management policies and in the infrastructural embellishment of the institution. The Committee meets the staff occasionally and encourage them to contribute their ideas in decision making. The college has a Staff Council represented by the Heads of Departments, senior faculty members and the Principal. The draft strategic plan of the academic year is chalked out by the Principal in consultation with the Staff Council and brought to the meetings of faculty. The departments and the various committees are asked to submit detailed annual action plans compatible with the strategic plan. These are then consolidated by IQAC according to importance, relevance and feasibility. Teachers consultations are always sought in relation to Curriculum, teaching-learning and assessment processes Non - teaching staff is also very cooperative and functions for the smooth running of the administrative system. Parents-Teachers Association and Alumni Association who also participate through their active support. 2. Student Council : The institution has a Students' Council elected democratically in the parliamentary mode consisting of Chairman (Principal), Convener, Sport Director, NSS Coordinator, Secretary of Students' Council, Class representatives, Ladies representatives, NSS representative, Sport representative and Cultural representative. Notification for Students' Council Election is announced by the University. A Returning Officer is appointed by the Principal as per the recommendations of the Students' Council, and elections are conducted as per the guidelines of University. Due to certain issues, the university has banned the election process. However, we continue to include students on administrative and academic bodies of the institute. The major activities of the Students' Council include organizing various cultural

events to enrich the student talents as follows: • Organization of Annual Students' Gathering • Publication of Institution Magazine • Selecting and supporting students for university festivals / intercollegiate events • Facilitating the various programmes undertaken by the institution

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

The institute has been following a number of the best practices that help us to function better and work towards our vision and mission. We would like to enumerate the following our best practices: 1. The management believes that higher education can be provided to the poor people with limited resources and
--

will power. 2. The college is taking keen interest in imparting value based education. For importing value based education, the practices of daily prayer, national anthem, learning of patriotic songs, display of thought of the day, holding functions on national festivals are being followed. 3. Its national fervour glows with affection and devotion to the cause of education. 4. Teachers and non-teaching staff follow the dress-code of the college as well as the students have the uniform. 5. The college puts efforts to bring in community orientation and inculcates civic responsibilities among the students through NSS, NCC programmes and working with NGOs and GOs to bring better understanding and harmony among the members of various communities. 6. The Principal and the faculties are actively involved in various committees and play important role in smooth functioning and in the development of the college. 7. The college has adopted university guidelines and strictly adheres to government resolution in respect of student admission. 8. Teachers have maintained teaching diary and adhere to the teaching plan. 9. Nearly 90 students receive various scholarships at present. 10. The college promotes cultural activities among the tribal students. 11. Encouragement of sports activities. 12. Maintenance of academic ambience in the college. 13. A few faculty members have voluntarily come forward to help financially needy students. 14. Offering training to the youth of Chimur, imbibing patriotism and prepare them for B and C certificate examinations to pave way for their dream of joining the Indian Arm forces.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Chimur did not have any institute to impart higher education. The poor and brilliant Students of the region, though desirous of higher education, could not get higher education because of financial difficulty and thus deprived of it. Seeking inspiration and blessings from Rashtrasant Tukdoji Maharaj , activists of Shri Gurudeo Seva Mandal established Gandhi Seva Shikshan Samiti in 1952 with the noble prospect of enlightening the region with the sublime light of knowledge. In 1972 Gandhi Seva Shikshan Samiti, as a monument of the ideology of Rashtrasant Tukdoji Maharaj, laid down the foundation of Rashtrasant Tukdoji College, Chimur to offer education, opening the gateway of higher education for the poor and needy students. Computer lab, gym, big playground, a fully-fledged library, experienced professors, efficient and active non-teaching staff, NSS, NCC and encouragement by the Management devoted to service all contribute to the consistent and unfailing development. The present management committee consists of nine members. Our management also runs a primary and high school. The college is affiliated to Gondwana University Gadchiroli. The college is recognized under section 2f and 12B of UGC. Our college, with its establishment, has introduced Arts and Commerce streams. Post Graduate Degree courses in Marathi, Economics, Sociology and Commerce have been introduced. The institute is keen in conducting coaching classes for students in view of competitive examinations. Remedial classes are undertaken for students slow in learning . The college unmistakably observes the specific healthy practices and apart from dress code for teaching faculty has introduced the uniforms for students. For boys' students taking admission to the college from distant places we have built a hostel. The college library is consisted of books, especially reference books and encyclopaedias. At present the institute has permanent teaching staff of ten Assistant professors. Five permanent

faculty members are Ph.D. including the Principal and eight faculty members are M.Phil. The college appoints teachers on clock hour basis as per guidelines laid down by UGC and Gondwana University, Gadchiroli. There are ten members in non-teaching staff including both permanent and temporary. The services of administrative staff is provided to teaching faculty as and when required. Since we have been facing infrastructure facility problem due to which many novel initiatives could not be introduced, our present college management has resolved to construct a new college building to improve resulting weaknesses. Our vision is: "The institution strives to provide higher education facilities to the poor, the underprivileged girls in the rural areas". The institute has large number of girl students in its graduate and post graduate faculties of Arts and Commerce. We are able to convince parents of the importance of higher education for the girls.

8.Future Plans of Actions for Next Academic Year

1. Organisation of NSS camp at nearby locality to engage students more effectively with the locality around the institute. Our NSS unit has adopted the village of Gondeda for five years. It is the same village where Rashtrasant Tukdoji Maharaj was said to have attained enlightenment. The village is the mecca for the followers of Rashtrasant Tukdoji Maharaj. Every year, his followers gather to remember the memories of Rashtrasant Tukdoji Maharaj and pledge to carry his vision and mission. We have joined hands with them to contribute and give our part in the vision. Through the NSS camp, the volunteer work on making roads, cleaning nullahs, digging toilet pits, counselling the villagers on open defecation and the necessity of hygiene. During the annual camp, every year, NSS volunteers work on such grave issues like gender - discrimination, domestic violence against women, female foeticide, superstition, sanitation, tree plantation and water- management, etc. Through awareness rallies and cultural activities local populations are awakened to these grave issues as once did by our Rashtrasant Tukdoji Maharaj through his sermons and bhajans. As a great reward to our efforts, our NSS volunteer Supriya Ashok Bhope was awarded the Indira Gandhi National Award for the Best Volunteer by the President of India in 2012. The motto of our college is 'Come to learn, go to serve,' adopted from Shri Tukdoji Maharaj's 'Gramgeeta

2. Advancing the performance of students in sports under the Director of Physical Education. Boosting the participation of students in various sports, which can benefit the physical and intellectual growth and development of students, in the inter-class competitions at college level as always delegated to the Department of Physical Education and completed by the same department is also planned by us.

3. Prepare our students for the NCC B and C certificate examination. Chimur is the land of martyrs who scarified their lives for freedom in 1942. These generations of students have the legacy of those martyrs and patriots, and are willing to serve the nation. To fulfill their dream, the institute has formed NCC unit that offer military training and guidance to the youth through its association with the Indian army units. Every year, number of cadets qualifies the NCC 'B' and 'C' certificate examinations that let them direct entry into the arm forces. We proudly mention that our students are currently serving as soldiers in a number of arm forces.

4. Organization of the Annual Day Function and Cultural Festival. Various cultural, intellectual and creative competitions like Debate, Singing Competition on Patriotic songs, Poster Making, Rangoli Competition and Fancy Dress Competition are planned at college by the Cultural Department and Students Welfare. Celebration of the Annual Day Function and Cultural Festival under the banner of Students Welfare Association is organised to provide the platform for the development of hidden skills of students by promoting their active participation in all types of cultural programmes.

5. Encouraging our teachers for the UGC

listed publication Our teachers are directed to write in UGC journal
