

## **Establishment of Red Ribbon Club, Celebration of International Youth Day, and Organ Donation Registration Workshop Successfully Concluded**

Chimur, August 12, 2025: On the occasion of International Youth Day, Rashtrasant Tukdoji Mahavidyalaya, Chimur, in collaboration with the National Service Scheme (NSS) and Sub-District Hospital, Chimur, successfully organized the establishment of the Red Ribbon Club, a celebration of International Youth Day, and an organ donation registration workshop. This event significantly contributed to fostering social awareness and responsibility among the youth.

**Program Overview and Objectives:** International Youth Day is celebrated to promote the social, cultural, and personal development of youth. On this occasion, Rashtrasant Tukdoji Mahavidyalaya took the initiative to establish the Red Ribbon Club and encourage participation in social activities. The primary objectives of the program were:

- 1. HIV/AIDS Awareness:** To raise awareness about HIV/AIDS through the Red Ribbon Club and dispel related misconceptions.
- 2. Promotion of Blood and Organ Donation:** To encourage youth participation in social initiatives like blood donation and organ donation.
- 3. Fostering Social Responsibility:** To inspire youth to actively participate in social work and develop leadership qualities.

**Program Organization and Dignitaries:** The program was chaired by Dr. Prafulla Bansod, Acting Principal of Rashtrasant Tukdoji Mahavidyalaya, Chimur. The chief guides included Dr. Ashwini Pise (Medical Officer, Chimur), Dr. Waghmare, Dr. Mahabale (Blood Bank Officer), Ms. Vidhi Deshmukh (CSO), Ms. Kamini Halmare (Guide), Ms. Preeti Bodhankar (Staff Nurse), Pawan Kamble (Guide), Mangesh Hingankar (Pharmacist), and Sumedh Sakhare (CSO), who provided valuable guidance to the attendees. They highlighted the importance of the Red Ribbon Club, the social value of organ donation, and the responsibilities of the youth.

The program was effectively conducted by Prof. Ashutosh Popate, while the introductory address was delivered by Dr. Rajeshwar Rahangdale, NSS Program Officer, who explained the objectives and significance of the event. The vote of thanks was presented by Prof. Gajanan Chavan, NSS Program Officer. The program was attended by a large number of faculty members, including Dr. Kartik Patil, Dr. Laxman Kabadi, Dr. P. V. Pise, Dr. N. T. Katrojar, and students of the college.

**Key Highlights of the Program:**

**1. Establishment of Red Ribbon Club:** The establishment of the Red Ribbon Club was the central highlight of the event. The club aims to raise awareness about HIV/AIDS, promote blood donation, and encourage participation in social initiatives. Through this platform, students will have opportunities to engage in social work. The guides provided information to dispel myths about HIV/AIDS and emphasized the importance of blood donation.

**2. Celebration of International Youth Day:** International Youth Day was celebrated with discussions on the social responsibilities and contributions of youth. The youth were motivated to bring about positive changes in society. The guides highlighted the significance of leadership, social awareness, and community service among the youth.

**3. Organ Donation Registration Workshop:** A workshop was organized to raise awareness about organ donation. The social and humanitarian importance of organ donation was explained, encouraging many students and attendees to register for organ donation, making the initiative a success. Dr. Ashwini Pise and other medical experts provided detailed information about the organ donation process, its benefits, and legal aspects.

**Impact of the Program:** The program successfully instilled a sense of social awareness and responsibility among the students. The establishment of the Red Ribbon Club provided a platform for youth to engage in social initiatives. The organ donation registration workshop inspired many to participate in this noble cause. The celebration of International Youth Day fostered leadership qualities, social commitment, and a humanitarian outlook among the students.

**Conclusion:** The event organized at Rashtrasant Tukdoji Mahavidyalaya, Chimur, marked a significant milestone in promoting social awareness and youth participation. The establishment of the Red Ribbon Club will pave the way for future initiatives, encouraging youth to take the lead in bringing positive changes to society. With the collaboration of the Sub-District Hospital, Chimur, and the National Service Scheme, the program was a resounding success, inspiring students to embrace social work with enthusiasm.
